HOW TO COMMENT

Written comments for the 2021 Southeast Board of Fisheries meeting are being accepted now through December 22, 2021

1. Visit herringcomments.com
2. Choose 'Southeast - Comments due 12/22/2021'
3. Complete the form with your contact info and comment
4. Click 'Submit Comment'

If you would like to send attachments you can also submit comments by email at dfg.bof.comments@alaska.gov

You may talk about multiple proposals in the same comment
You may submit multiple comments

WHAT TO INCLUDE

Who you are

subsistence harvester or eater, commercial fishermen, connection to Sitka, any organizations you're representing, etc.

Why the herring are important to you

culture, food, ecosystem, economy, etc.

The specific proposal numbers you support

156, 157, 158

The specific proposal numbers you oppose

159, 160, 161, 163, 164, 165

Your reasoning

why you support conserving the remaining herring and increasing future herring abundance, changes you've seen in the herring, etc.

WHAT NOT TO INCLUDE

Personal attacks, inflammatory or inappropriate language

the Board of Fisheries may not accept comments that include any of the above

More than 100 single-sided pages

write as little or as much as you want and include as many supporting materials as you like, but if it's more than 100 pages, make sure to submit it in multiple parts
